The day after semester exams ...

Maroa Vice Attack of the woolly worms!!!

Anybody seen our Harleys?

Life is a collage of colors, sounds, textures, ideas and memories. Each of us is unique and adds his own personality to every situation. In doing so we blend with others. We learn. We change. We grow.

Discovering ourselves, we see the similarities which make us one. More importantly, we begin to understand that each of us contributes even more when he develops his own skills.

As Teresa Tribbett so succinctly puts it, "Shades of difference make the whole."

Come explore the Shades of '88.

A wide variety of people and skills are combined each year to make MF High run smoothly. From the bus drivers to the custodians, from the maintenance staff to the office help, each becomes an integral part of the whole.

The administration, as well as several parents in the community, urged voters to pass a referendum this year which allowed a transfer of monies from the Bond and Interest Fund to the Education Fund.

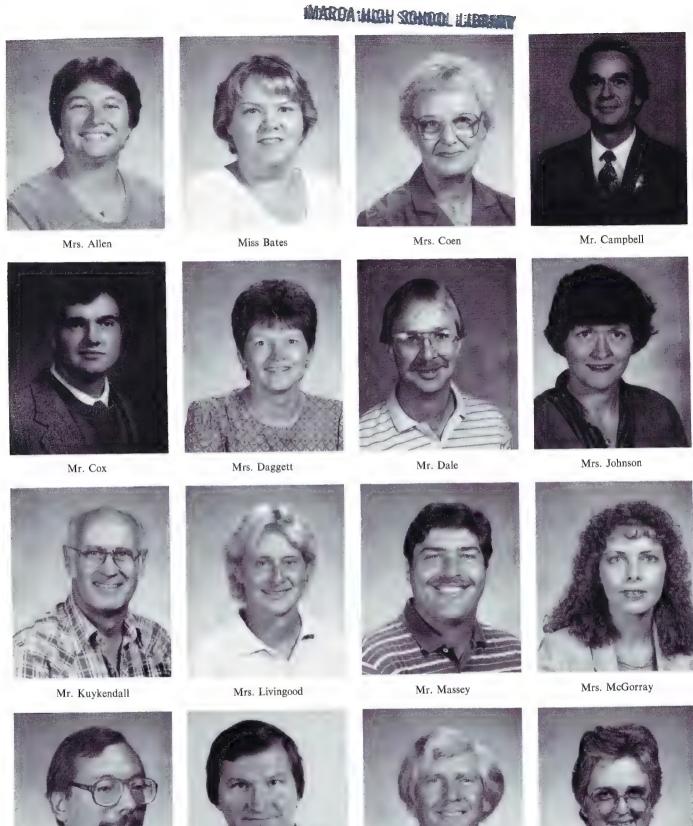

This year's board members include Bryant Austin, Ed Orr, Glen Morgan, Laverne Malone, Vermeil Leggett, Ken Offer and Brenda Turner.

The "Time of Our Lives" was held at Richards Treat Center on the Millikin campus May 6. Unseasonably great weather enhanced the evening. Students ate a lasagna dinner, meandered about the dessert table and danced to the strains of "Magic."

Larry Bricker was crowned King and Rita Gentle crowned Queen in front of a nighttime city silhouette surrounded by red and black balloons.

The 1987-'88 Maroa-Forsyth band program enjoyed an extremely successful year. Under the direction of Mr. Mueller, the marching band received second runner up at the Eastern Illinois marching band festival and the concert band received first place rating in the IHSA state contest.

The chorus had a great year starting

with over ten members being selected for districts including seniors Chad Schleder, Skip Weikle, Chad Johnson and Annette McLelland. Later thirteen students made the honor choir in the Macon County Choral Festival.

Maroa also achieved four firsts at solo and ensemble contest. Skip Weikle and Annette McClelland won for their solos. Skip combined with Shelley Richardson and Julie Church with Heidi Black for first place duets. In the same month the chorus and swing choir traveled to Monticello for a contest, both receiving firsts.

Winding up the year, the chorus presented the annual spring concert with a play focused on the pressure of substance abuse and teen's relationships with their parents.

FHA

There were forty new members this year to boost membership to eighty-two, and for the first time ever, there were eleven males in FHA.

Some of the activities put on by FHA were a wiener roast, a hay ride, the fall section rally, the lip-sync contest, the Sweetheart dance, a spring trip to Chicago, and participation in the state rally.

A familiar FHA smile

Amy Agee was the section 4-C president, and Becky Swinger was the section 4-C secretary.

Cory Garner and Shannon Whitaker were selected king and queen of the Sweetheart dance.

Chad Braden, Cory Garner, and Jeff Schmahl turned in the winning performance at the lip-sync contest, acting as the Bee Gees.

Katrina Parker, Kelly Townsend, Boomer Ford, Jeff Schmahl, Dan Weikle, and Cory Garner won the section lip-sync contest and went on to finish state runners-up at the state rally in Springfield.

FFA

FFA is an organization of students taking vocational agriculture. The primary aim is the development of leadership, citizenship and cooperation.

Members participate in many activities in contests during the year. Some of the contests include soils, speaking, parliamentary procedure, crops, ag businesses, management, meats, livestock, dairy, mechanics, and horticulture. Members also compete with other members in the section, district, and state with their SOEP's (Supervised Occupational Experience Programs). Examples of SOEP's are livestock, crops, garden, mechanics or almost any type of home project that the member is interested in.

Locally the members participate in community service projects, have one or two parties each year and plan some major trips such as touring a research farm, farm implement factory and a baseball game plus going to Six Flags. Most years they attend the national convention in Kansas City.

King of the assemblies

I never knew nocturnal animals could be so exciting!

Student council this 87-88 school year had quite a few problems to overcome, but none as great as the float dilemma. Float building was a key issue in this year's homecoming parade. Student council strongly backed the concept of keeping the float building and it will remain at MFHS for years to come.

Student council also worked hard this year for a better variety of assemblies. They rearranged some calendar dates, especially during homecoming

week. Student council, due to lack of planning last year, has tried to plan a lot for the next calendar school year. In all, student council feels that it is the future that should be planned for and that is what this council has done.

IA CLUB

The American Industrial Arts Student Association, known as AIASA is a national organization for elementary, junior high, and senior high school students who are presently enrolled in, or have completed, industrial courses. AIASA is designed to develop the leadership and personal abilities of students as they relate to the industrial-technical world.

This year the industrial arts club visited CAT in Decatur, IL. Also the club raised money through a fund raiser to pay for some equipment and tools for the industrial arts shop.

LIBRARY **CLUB**

The Library Club has been active in keeping our library supplied with updated materials. We began a student store where students and faculty can purchase paper, pens, pencils, folders, notecards, and computer disks. We also helped the school district purchase a new overhead projector for teacher use. During National Library Week the Library Club distributed folders to all teachers and administration containing supplies to remind them of their library.

The members include Alice Runyen, Karen Todd, Laura Tynan, Michelle Meier, Cindy Crabill, Rana King, Scott Miller, and Beth Barringer.

Art Club provides its members with extra time to work on class projects. The students often help set up display cases. Members participate in activities dealing with art, such as Win. Lose, or Draw. A taste of art history is displayed through films. Art careers are explored. Personal portfolios are formed as preparation for college.

National Honor Society

The National Honor Society is an hour unlike most others. It is not given for one, single good action, an outstanding performance or a special ability. Rather it represents achievement as a whole person — a unique person.

Membership has been earned by the effective demonstration of four qualities held in high esteem by the society. These are scholarship, leadership, character and service.

A faculty committee used these four qualities to judge the students who qualify by having at least a 4.0 average. five seniors and twelve juniors were initiated in an induction ceremony which took place on March 18. Mrs. McGorray and active members hosted the evening.

Pom Pon

Last summer, the MFHS squad split up and attended three different summer camps. Seven went to EIU and participated in the Universal Dance Camp. Seven others traveled to ISU for NCA summer camp. They received an "outstanding" overall. The remaining two attended U of I and received second place overall.

The squad marched in parades and performed at small town fairs as well as home football games.

"Old Time Rock 'N Roll" was the squad's favorite routine.

Squad members often choreographed the dances which culminated in a coed rendition to Hank Williams, Jr.

Cheerleaders

The 1987-88 Maroa-Forsyth cheerleaders had a year full of achievement. In June, they attended a Dvnamic Cheerleaders Association camp at Illinois Wesleyan University. The varsity squad received first place in the varsity division, as well as receiving the best routine award, squad unity award and the super squad award. JV squad received first place in the JV division, as well as receiving a squad unity award and the super squad award. Both the JV and varsity squads, therefore, qualified for the championship division at DCA's national competition in Honolulu.

The cheerleaders with the help of their parents and the community, were able to raise fourteen-thousand dollars for the trip. In December both squads competed in the national competition. The varsity squad received fourth place in their division and were also awarded a trophy for their outstanding leadership. The JV squad received a trophy for their outstanding jumps. The trip was a great learning experience for the cheerleaders and was enjoyed by all of them.

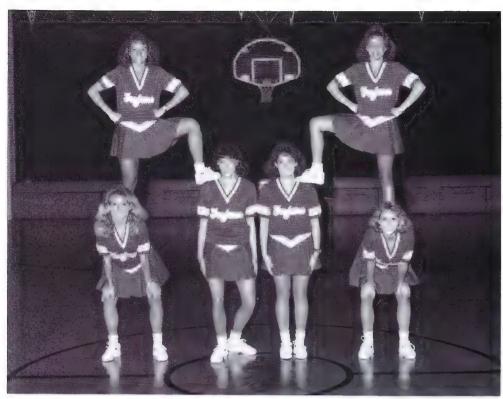

The cheerleaders cheered for and supported the Trojan football team, boys basketball team and girls basketball team. Their performance demonstrated new and impressive cheers, mounts and stunts.

Varsity and JV Football

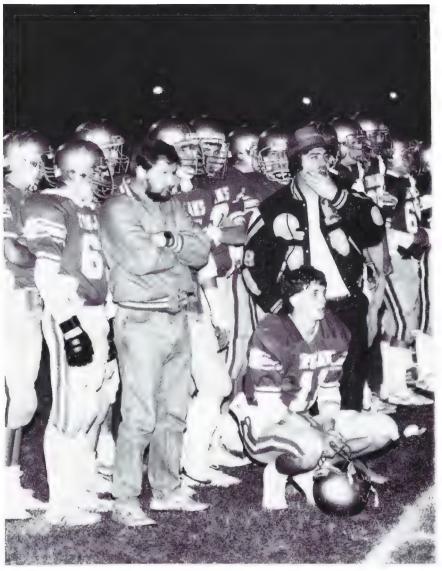

These pages are dedicated to the memory of Bubs Jannusch, one of the co-founders of the football boosters and a loyal Trojan fan.

Returning from a dismal season 4-5 of the year before, the Trojan team was looking forward to a new start. They opened their season against the Argenta-Oreana Bombers. Maroa suffered its only loss in the regular season games, 17-0.

By Homecoming Macon needed a win to stay alive in the conference, and the Trojans needed a win to stay in competition with Assumption for Meridian Conference Champs. When the dust cleared on the much disputed game, Maroa emerged the winner, 6-0. The Trojans kept moving, beating Assumption, Niantic and finally Bethany in their last regular season game.

With a third undefeated Meridian Conference Championship in four years, Maroa got a chance to avenge their only loss of the season when faced with Argenta in the first round of the IHSA State Playoffs, On a fourth down play Argenta bolted, scoring the only points of the gamed and handing Maroa its last loss of the year.

The JV team, hampered by inexperience and minimal manning, ended their season 3-6 with victories over the Warrensburg Cardinals and the Lovington Panthers.

Volleyball

Maroa-Forsyth's volleyball team had its best season ever with a record of 22-5. In the conference, the Trojans finished 9-1, placing second to Macon. The junior varsity team finished 8-17, finishing in the top four at the Clinton Classic.

The varsity's losses were to defending state champion Stewardson Strasburg, Macon, Octavia and Warrensburg twice. The Trojans placed the highest ever in their career in the county tournament with a second place finish to Warrensburg.

Seniors Krista Major and Carrie Cochran were named to both the Meridian Conference first team and the All-County team.

Some seniors ended their season with career records. Krista Major ended with 433 kills. She is also the all-time leader in kill percent, blocked shots, stuff blocks and dink kills. Wendy Tohill left a career record in serving percent, service points, and matches played. Carrie Cochran placed first in career records in matches played, serve receive percentage, aces and kill assists. Becky Swinger was first in career hitting percentage. Melissa Wilson led the way with a career record in setting percentage.

Among many marks set this season by the Trojan volleyball team, four members left their names in the state record book. Carrie Cochran, Krista Major, Wendy Tohill and Melissa Wilson all placed in state records.

The team only had one starter backed with varsity experience while the rest of the team was composed of inexperienced seniors and several juniors. In spite of the lack of experience, the team managed to finish in fourth place in the Meridian Conference with a 7-4 record.

The JV Basketball team finished with a 14-9 record. They placed second in the Bethany tournament under new coach Ken Cox.

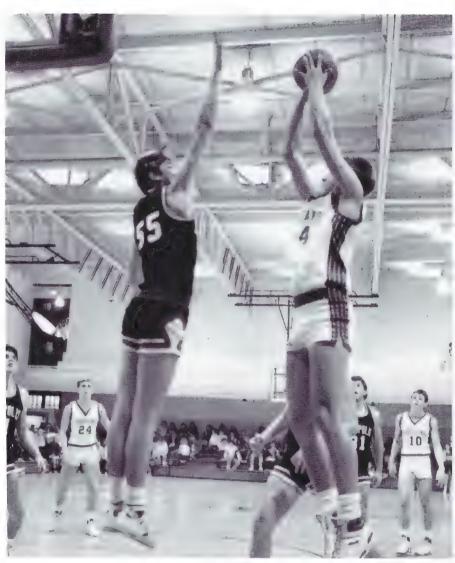

Freshman team finished with a 6-4 record.

For the second year in a row, varsity girls grabbed the Meridian Conference Championship with a 7-0 record. Melissa Wilson, Krista Major, and Beth Barringer were selected to the First Team all-conference. Cathy Smith and Lisa Christ were selected to the Second Team.

The girls took second in the Macon County Tournament with Melissa Wilson named to the all-county Second Team. They also placed third in the Bethany Holiday Tournament with Lisa Christ and Beth Barringer named to the all-tournament team.

JV team posted a 4-13 season hampered by an inexperienced team which improved considerably by the close of the season.

Early season competition was nil, with the first six games ending in five innings. Tougher competition came later, with Springfield Ursuline, St. Teresa, Eisenhower and Macarthur.

In regional play, the Lady Trojans ran over Bethany, stopped Warrensburg and defeated St. Teresa in the championship game. They advanced to the Edinburgh Sectional there they defeated Riverton before falling to Springfield Ursuline in the championship game.
